SIR,

Subject - Disposal of the right of collection of tolls by public auction in Harihar town Municipality for 1944 - 45

I forwarding herewith the file of correspondence ending with letter No H C 45/43-44, dated the 25th April 1944 received from the President, Harihar Town Municipality, I have the honour to state that the President reports that in pursuance of G O No L 6761-71/M1 131-39-3 dated 1-2-40, the collection of toll was being attended to departmentaly The Municipal Council, at its meeting, convened on 29th February 1944, has resolved that the right of collecting fees may be disposed of by public auction The President in his letter has explained the reasons for the disposal of the right by public auction From the comparative statement of collections made both by departmental agency and by private contract, it is seen that the average annual net income is Rs 4,029/- and 3,978/- respectively The President feels that the income, if collection is attended to departmentaly, would go down on account of the introduction of the Food Grain Control Order, and the restriction inposed on the transport of several commodities

He

He is ~~further~~ therefore of opinion that the right of collection of toll may be disposed of by public auction The council has been urging for the contract system for the past 3 years and a chance may be given to work the toll ~~xx~~ on a contract basis

Under these circumstances, I recommend that sanction of Government may kindly be accorded for the disposal of the right of collecting toll by Public auction during 1944-45, As the sale has to take place during the month of June 1944, immediate orders of Government may kindly be obtained and communicated

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug District
